## 3. Winter 2018/19 professional indemnity funding for OOH GPs

NHS England will cover the cost of professional indemnity for any additional extended or out-of-hours work undertaken by GPs this winter to give GPs freedom to work additional sessions without having to pay additional subscriptions to their medical defence organisation (MDO). NHS England wrote to all practice managers on 26 September. GPs - contact your MDO for details.

## 4. Two Other Useful websites:

<http://gphealth.nhs.uk/>

It's a service setup for GPs who have a mental health concern etc so that they can access assessment and treatment. I wasn't aware, so wanted to share in case it was useful for conversations.

There is also this PDF that shows the various schemes to support GPs in work...
