2 nd April 2019 TBC	Morland House

Venue/time: Hampden House, Monument Park, Warpsgrove Lane, Chalgrove OX44 7RW 13.00-15.00

Brief information items for practices (recently featured in GP Bulletin)

 OCCG Commissioning Intentions 2017-2019 available on the OCCG website link is below:

http://www.oxfordshireccg.nhs.uk/key-occg-publications/occg-commissioning-contracting-intentions-2017-2019/32377

IMPORTANT - All Paperless Referrals from October 2018:

There is a national requirement that from October 2018 all GP referrals to consultant led first outpatient appointments must be made via the NHS e-Referral System (e-RS). If a referral does not have a UBRN number then the provider will not be paid. In line with this OUHT will be going Paperless and only accepting eRS referrals for GP to consultant led clinics. Any referrals received after 1/10/2018 not on eRS will be returned to practices to put on the electronic system. In line with this the new GP contract will make use of eRS a requirement.

To reduce the risk for OUHT, a transition period will start where GP practices will be advised to start making sure all referrals are made by eRS with a proposed switch off date for non eRS referrals of 1/9/2018 or earlier if needed. More details will follow in the next few weeks. Please can you alert GPs and relevant administrative staff of this change.

Any queries to OCCG.plannedcare@nhs.net

Publicity resources for the Over the Counter Medicines Campaign

Please share with your patients the resources which OCCG has made available for the Over the Counter Medicines Campaign. These include:

- slides for practice TV screens
- patient leaflet.
- poster If you require printed posters please email cscsu.talkinghealth@nhs.net.
