

OUTPATIENT CLINIC PROVISION: TOWNLANDS HOSPITAL UPDATE

Phase 1: 'Lift & Shift'

Following completion, all current outpatient specialties will 'lift & shift' into the new Townlands Hospital building as follows:

No.	Service	Current Clinics (per month)
1	Audiology	30
2	Breast Surgery	6
3	Cardiology	14
4	Colorectal	2
5	Dermatology	6
6	Elderly Care	2
7	ENT	4
8	Fertility	6
9	Gastro	2
10	General Surgery	5
11	Gynaecology	4
12	Neurology	3
13	Ophthalmology	9
14	Orthopaedics	7
15	Orthoptics	4
16	Paediatrics	2
17	Pain	3
18	Parkinson's	3
19	Rheumatology	6
20	Stoma Care	3
21	Urology	4
22	Endocrinology	2
	Total clinics	127

Phase 2: Potential expansion

Given the new facilities and improved clinic space available, early consideration is also being given both to the expansion and development of these existing specialties, and to the potential development of clinics for specialties that don't currently hold clinics at Townlands.
