IMPORTANT - All Paperless Referrals from October 2018:

There is a national requirement that from October 2018 all GP referrals to consultant led first outpatient appointments must be made via the NHS e-Referral System (e-RS). If a referral does not have a UBRN number then the provider will not be paid. In line with this OUHT will be going Paperless and only accepting eRS referrals for GP to consultant led clinics. Any referrals received after 1/10/2018 not on eRS will be returned to practices to put on the electronic system. In line with this the new GP contract will make use of eRS a requirement.

To reduce the risk for OUHT, a transition period will start where GP practices will be advised to start making sure all referrals are made by eRS with a proposed switch off date for non eRS referrals of 1/9/2018 or earlier if needed. More details will follow in the next few weeks. Please can you alert GPs and relevant administrative staff of this change.

Dermatology Section 01235-517760 occg.swoldermatology@nhs.net	<p><i>Dear All</i></p> <p><i>This is a reminder that there is now a GP-led dermatology service running from Woodlands Surgery in Didcot, for surgical removal of low-risk Basal Cell Carcinomas (low-risk being below the clavicle, and less than 1cm). We also treat solar keratoses and Bowen's (if topical treatment has failed or is not appropriate). We are two local GPs, Adam Jones and Estelle James, who have done training at the dermatology department at the Churchill, and we are accredited for removal of these lesions. Our service went live in February 2017 and is running well. Patients like being seen closer to home, and we don't have long waits for appointments.</i></p> <p>HOW TO REFER: <i>You can refer patients by completing the below referral form and emailing it to occg.swoldermatology@nhs.net. If you are not sure if something is appropriate for our service, you can also send a photo and we will return the referral to you if it doesn't fall within our remit.</i></p> <p><i>Kind regards</i> <i>Adam and Estelle</i></p> <p> SWOL Referral Proformav2.docx</p>
