

basement of Northgate. The CCG Finance Committee has considered accessibility and affordability following a district valuer report and other options available across the city and approved progress to the next step. This will include the production of a full business case which will include patient engagement. As construction is already underway, surgeries could locate towards the end of 2021.

#### **4.3 Bicester proposal**

The proposal for a newly built primary care surgery in Bicester is progressing with a business case expected for review in September. This will lay out the chosen site and reasons for choice as well as the strategic and economic case.
