CANCER SCREENING ENGAGEMENT EVENT

Wednesday 02nd October

Holiday Inn, Pear tree Roundabout

(Funding per practice is allocated for attendance and lunch is provided)

Following the launch of our Screening Schemes for this year, we would like to invite representatives from **every** GP Practice to attend our event; ideally we would like this to be your **Clinical Champion** as well as anyone else who will be involved in supporting the scheme within your practice.

The afternoon will look at successes of the first scheme as well as tips, advice and patient stories to help implement actions going forward with our focus on Seldom Heard Groups.
