

# Buckinghamshire, Oxfordshire and Berkshire West General Practice Fellowship Programme

For newly qualified GPs and Nurses

Making primary care a great place to work

Are you looking to recruit a new GP or practice nurse?

Consider linking your post with the Fellowship scheme

General practice Fellows receive a range of benefits aimed at helping recruitment and career development

Available to all newly qualified GPs and Nurses

The General Practice Fellowship scheme is an exciting new 2 year programme of support for newly qualified GPs and nurses in Buckinghamshire, Oxfordshire and Berkshire West (BOB). The opportunity is open to anyone about to take up a post or are already working in a practice.

## Benefits to GPs and Nurses include:

- ✓ 1 Session per week (pro-rata) CPD
- ✓ Monthly Mentoring sessions with an experienced GP/Nurse Mentor
- ✓ Structured CPD programme and peer support sessions
- ✓ Option to work with PCN clinical directors on development projects
- ✓ Unique personal development opportunities

## Benefits to practices and PCNs include:

- ✓ Helps recruitment to salaried GP and practice nurse posts
- ✓ Provides structured support to newly qualified staff
- ✓ External mentoring and CPD arranged
- ✓ Paid backfill for CPD sessions
- ✓ Supports PCN workforce development priorities
