

## **Weekly PCN Newsletter – 27 September 2019**

### **OCCG information/actions:**

1. For action: following Neil Fishers presentation at the last workshop, we are currently developing process to support PCNs and their partners in pilot projects. PCNs should start thinking of possible pilots that could benefit their populations. More information to follow next week.
2. For information: Updated notes from the Clinical Directors meeting held on 10 September 2019. (attachment 2)
3. For information: Invitation - Autumn Regional Social Prescribing Link Worker Conference |Oct-Nov 2019 (attachment 3)
