

Weekly PCN Newsletter – 29 November 2019

For action - **A reminder all additional role reimbursement forms to be sent to OCCG.PCN@nhs.net by COP 5 December 2019.**

For information and action: **Please find attached the notes of the WebEx on the NAPC support offer (attachment 1). Please let our PCN inbox (occg.pcn@nhs.net) know if you are keen to get going and we will pass the Clinical Directors name to NAPC to arrange a call.**

For Information- **Clarity GP Team Net- The CCG have signed the contract with Clarity for GP Team Net for all Oxfordshire practices, this will supersede any contract that practices or federations have in place with Clarity, practices/federations who have already paid for GP Team Net will get reimbursed the amount owed. There is a call with Clarity on Tuesday where more information will be sought on process that practices need to take on claiming the reimbursement and the implementation plan for roll out.**

We are also looking for a PCN representation to sit on our Project Team. Please get in touch by OCCG.PCN@nhs.net

For information- **Please find attached (attachment 2) the agenda for 5 December 2019 Practice Manager workshop. This has gone out to all practice managers.**

For information- **Additional Costs for social prescribing link workers: we are expecting the PCN additional role guidance to be updated to allow PCNs to claim for additional management costs for social prescribers when engaging an SPLW service through a supplier. We are waiting for updated guidance but please see statement in attachment 3.**

For Information- **New Prescribing Dashboard- The September 2019 Medicines Optimisation Prescribing Dashboard is now available to view via the following [link](#). Please note that the dashboard has been updated to reflect the practice mergers which took place in September 2019 as well as the recent amendment to the Prescribing Incentive Scheme element 1 gateway. If you have any questions please contact ross.burton@nhs.net**
