

Weekly PCN Newsletter – 6 December 2019

For Information: **Reimbursement for BMA conference – Information on the conference can be found [here](#).** The CCG have agreed to fund Clinical Directors to attend, Practice Managers raised at the workshop yesterday that other members of the PCN might want to benefit to attending, please apply to the CCG (via occg.pcn@nhs.net) for any additional practice staff attending and we will look to see if we are funding available. Please note funding from the CCG will only cover the attendance fee. To claim the reimbursement you will need to invoice in the usual way through Wakefield FOA Hannah Tombs along with a copy of your receipt.

For Information: **The CCG has bid to NHSE for some additional resource for 19/20 to provide laptops for the additional roles that are employed by the PCN or one of the practices in the PCN.** If you would like a laptop for one of your additional roles, please contact occg.pcn@nhs.net. Unfortunately we are not able to provide IT to any additional role who is employed through a third party. Going forward we hope to bid for more funding for subsequent years – however any early heads up of PCN thinking in terms of additional staff would be useful through occg.pcn@nhs.net.

For information: positive practice manager workshop yesterday, with slides etc. on the Kahootz (Future Collaboration tool) in the near future, a link will be sent via the PCN newsletter, Practice Managers have also been asked to be added to this mailing, and we will put a link in to the GP Bulletin. Any practice manager who would like to be taken off this mailing please email occg.pcn@nhs.net
