

Weekly PCN Newsletter – 17 January 2020

For information: Draft DES Specifications

Thank you for sharing your response to the PCN draft DES Specifications, please find our response [here](#).

Reminder: PCN development support- NAPC

Thank you to those who have already made contact for the NAPC facilitated workshops. If you would like to get started with the NAPC facilitated workshops, please contact Matthew Walker-matthew.walker@napc.co.uk

Reminder and action: GP Team Net

You should have received invitations, for the launch workshop for GP Team Net on Tuesday 28 January 2020, there are two times (9:00-10:30 or 11:00-12:30) for Practice Managers, Clinical Directors and other Practice staff to attend. The event will be held at the Kassam. Please accept the time that you would like to attend and decline the time you cannot attend.

Following the launch workshop, practice leads will receive information about logging on to their GP Team Net portal.

A reminder if you have not done so already please can you let hannah.tombs@nhs.net know your PCN lead for GP Team Net.

We have received queries from existing users of GP Team Net regarding contracts and reimbursement-as advised by Clarity- your contract is now covered under the Oxfordshire CCG contract, please contact teamnet@clarity.co.uk for a pro rata refund. Any issues please contact Hannah.tombs@nhs.net
