

Weekly PCN Newsletter – 21 February 2020

For information and sharing: PINCER action learning set 3 - Oxford/Bucks- information in attachment 1

For information: Laptops update- the laptops have been ordered and we have been given a 3/4 week timescale. The laptops will also need to be imaged. We are continuing to work with the CSU to get these to your PCNs as quickly as possible.

For information: PCN Paramedic Workforce- attachment 2, information from SCAS, looking for early adopters to participate in a collaborative working partnership in preparation of the introduction of paramedics in primary care.
