

Weekly PCN Newsletter – 6 March 2020

For information: COVID-19

NHS England have circulated the first in a series of regular updates to general practice regarding the emerging COVID-19 situation (see attachments 1 and 2). This includes:

- Standard operating procedures for primary care
- Details of PPE delivery
- Changes to online bookings
- Prescriptions
- Current guidance
- Communication methods

If you have any queries regarding Covid-19 please send them to occg.emergencycontrol@nhs.net
Apologies for the duplication if you have already received this via other routes.

For information: HEE Quality Improvement Fellowship Programme: The Primary Care School, Health Education England Thames Valley (HEETV) have funding for Quality Improvement Fellowships across BOB and Frimley primary care networks in 2020. The fellowship will help develop work across the health and care system, developing and delivering high quality care whilst investigating, developing and implementing new ways of improving local population health. More information and how to apply can be found in attachments 3, 4 and 5.

If you would like to apply returns (attachment 5) must be completed and returned via email to Harbans.mattu@hee.nhs.uk by midnight on the 29th March 2020. If you require any further information, please contact or email rebecca.tyrrell@hee.nhs.uk or maggie.woods@hee.nhs.uk
