

## **Cancer Training and Information Available to GPs and Practice Staff**

### **Training**

- **Macmillan Cancer Support:** Free learning resources, online courses, and professional development tools from Macmillan Cancer Support. <https://learnzone.org.uk/>
- **Gateway C:** Free online cancer education platform developed for GPs, practice nurses, GPs in training, health care assistants, physician associates and other primary care professionals across NHS England. <https://www.gatewayc.org.uk/>
- **Cancer Research UK (CRUK):** Free Training for PCNs can be organised with our CRUK Primary Care Facilitator Hannah Hollis, they can cover subjects such as Screening Programmes and Safety Netting. If you are interested please contact [Zoe.kaveney@nhs.net](mailto:Zoe.kaveney@nhs.net)
- **Oxfordshire Training Hub:** Free training on a number of areas relating to cancer <https://oxfordshiretraining.net/>
- **OxCERPC** offer an annual programme of study days, courses and conferences to enhance the knowledge and skills of health and social care staff to enable care of high quality to be delivered to patients and families in the last years of life. <https://www.sobelleducation.org.uk/our-courses/>

### **Other Useful Information**

- **CRUK PCN DES Webinar Discussion.** *“PCN Cancer Early Diagnosis Specification: What you need to know and how to get started”*. To access a copy of the recording please [click here](#)
- **Fingertips Cancer Profile Tutorial:** CRUK have also created a tutorial video on how to navigate Public Health England fingertips PCN cancer profiles. To watch the 5 minute tutorial please [click here](#). The website for the cancer profiles is: <https://fingertips.phe.org.uk/profile/cancerservices>
- **Patient Video for Radiotherapy:** Cancer care professionals from Oxford University Hospitals NHS Foundation Trust have created a short film clip to endorse the message that it is safe for patients to visit hospital for care and treatment. This clip relates to treatment around radiotherapy and includes the mandated guidance, by the government, that all patients coming into hospital should wear face coverings. <https://www.youtube.com/watch?v=R2NuJF3zDmU>
- **All the latest Cancer related guidance/documented information for Primary Care** is hosted on the Futures NHS Collaboration Platform, under the TVCA portal. The portal can be directly accessed here <https://future.nhs.uk/system/login?nextURL=%2Fconnect%2Eti%2FTVCA%2FgroupHome>
